Work Experience
Other Side :)

Work History

Duration:

The Marketing Sector - Webpage Designer

November 2012 - April 2013

Created webpages from scratch for company as well as clients. Maintained, updated, and posted articles on several publisher sites owned by the MarketingSector.com. Updated various client sites from images, to content, to layout changes and more. Created html e-mail campaigns as well as advertisement banners of all sizes. Troubleshooted technical problems, and assisted in an assortment of web related tasks.

Print On Target - Graphic Designer / Sales Associate -

June 2012 - Nov 2012

Check and respond to emails. Help customers with any questions or concerns. Processed orders, prepared documents for printing, helped with graphics and designing. Other various tasks needed to run day to day operations.

Cedarbrooke Chateau Independent Retirement - Housekeeping Supervisor / In-house web developer -

2009-2012

Managed the housekeeping department supervising a staff of 5 directly. Developed, created and maintained their webpage and publishing needs such as brochures, business cards, letterheads etc..

Il Cortile Ristorante (Montreal) - Dishwasher, Prep Cook -

2006-2009

Dishwasher for a high end Italian Restaurant in the heart of Montreal. Multitasked between hand washing dishes, preparing and plating food as well as occasionally cooking in a very high paced environment.

Yummy House - Supervisor & Cook -

2004-2006

Cooked, prepared, and managed day to day operations supervising employees while maintaining a high level of food excellence in a high paced environment. Second in charge next to the owner
